

Readmission

Readmission

Students who fail to attend, fail to maintain continuous enrollment, are withdrawn or are dismissed must apply for readmission. All applicants for readmission will be considered and are subject to approval. Content of previous courses completed will be evaluated for applicability of content to the current curriculum. Credit for courses taken before withdrawal/dismissal will be determined at the time readmission is approved. The date of readmission will be determined based on the number of students in each course and the sequence of courses. Readmission is subject to availability of space in the desired program. Students will only be considered for readmission once; students in good academic standing may have the privilege of special consideration. Students who are dismissed from the College for unprofessional and/or clinical safety reasons will not be considered for readmission.

Readmission Procedure

Former students desiring to reenter Bryan College of Health Sciences must apply for readmission according to current application deadlines.
