

Maximum Length of Time to Degree Completion

Students must successfully complete all coursework within seven years of matriculation into the program. The seven- year period is computed based on the date of entrance into the program. This includes time spent on leave of absence. An extension will be granted if the College does not offer a required course during the last semester of the student's seven-year period. Students who do not complete within seven years must reapply for admission to the program. See individual program sections for specific degree completion requirements.
