

# Certification

Graduates of this school are eligible to take the national certification examination for nurse anesthetists administered by the National Board on Certification & Recertification of Nurse Anesthetists. Individuals who pass this examination may use "CRNA" (Certified Registered Nurse Anesthetist) after their name. The College does not grant licensure or ensure an individual's eligibility to obtain licensure after graduation. It is each student's responsibility to know and understand the requirements for licensure.
