

# Graduate Studies Student Handbook

The student handbook is designed to serve as a quick reference for issues relating to your attendance at Bryan College of Health Sciences. It is not a contract, nor is it an invitation to contract. It is available on the college website for you to refer to it as necessary throughout the program.

Bryan College of Health Sciences reserves the right at its discretion to change or amend the handbook at any time in the future. Revised policies, rules and procedures supersede previous policies, rules and procedures. Students are informed as new policies are created or when revisions of current policies occur. New policies and policies with editorial changes are emailed. If a policy revision requires small group discussion to ensure understanding, it is distributed in the classroom setting and explained by course instructors.

You will be asked to sign the Student Handbook Received Form acknowledging that you are aware of the Student Handbook upon enrollment.

Failure to adhere to all Bryan Medical Center, Agency and College policies may be grounds for dismissal, regardless of clinical/classroom performance.
