

Certificate - Healthcare Management

Degree Type

Graduate Certificate

Program Description

Bryan College of Health Sciences offers a graduate Certificate in Healthcare Management. The program is a 13 credit- hour course of study.

The Certificate in Healthcare Management prepares the student to apply management principles, including leadership and management skills, in the healthcare setting. The program consists of 12-credit hours of online management courses and a one-credit field experience. For individuals with a specific interest in applying Healthcare Management principles in a Telehealth setting, a Certificate in Healthcare Management: Telehealth Focus option is available. The program can be completed part-time and is designed for completion in two years or less. Courses are offered at both the graduate and undergraduate level, making the program appropriate for those with Associate degrees as well as Baccalaureate degrees.

Philosophy Statement for Healthcare Management Certificate

The Faculty of Bryan College of Health Sciences, Certificate in Healthcare Management program, believe that:

Certificate programs are designed to provide a method for individuals to develop skills and knowledge in specialized areas that do not require an in-depth degree program of study. The shortened timeframe for courses and/or the program of study is designed to enhance the ability of the student to complete this specialized education in a way that does not heavily impact their daily workload and/or lifestyle, but still provides them with the opportunity to utilize a process of inquiry, application, and analysis.

The educational process for the Certificate in Healthcare Management is a shared responsibility between student and faculty. Students must be committed to achieving their goals through a consistent demonstration of inquiry, information-seeking behaviors, engagement with faculty and peers, and analysis of learning needs. Faculty, likewise, are committed to the responsibilities of serving as a competent resource, guide and professional role model.

Learning Outcomes

Upon completion of the program the graduate will be able to:

1. Integrate the theories, concepts and skills of management into the healthcare setting.
2. Incorporate established principles and guidelines of human resources management into managing in the healthcare setting.
3. Role model legal and ethical healthcare management.
4. Analyze the impact of healthcare economics on the healthcare industry and the healthcare consumer.
5. Refine decision making skills related to healthcare finance and budgeting within the healthcare manager's role.

Application Deadlines

Applications are accepted through August 1 for the fall entry, December 1 for spring entry, and April 1 for summer entry.

Admission Requirements

Each individual who applies for admission to the graduate Healthcare Management Certificate program is evaluated in terms of the following criteria:

- Baccalaureate degree from an accredited institution in a healthcare related field
- Cumulative GPA of a 2.5 on a 4.0 scale for college coursework
- Applicants for whom English is a learned language must take the TOEFL English proficiency exam and score 550 PBT, or 79iBT or better. Exemptions for the English proficiency requirement are granted for non-native speakers who have received a high school diploma or more advanced degree either from an accredited U.S institution or from an institution outside the U.S. at which English is the official language of instruction. (School code: 6058).
